

READER'S GUIDE

Summer's Sweet Spot

Love in Brighton Village, Book 3

1

One of Maeve's best qualities is her loyalty. How long would you wait for someone who won't commit?

2

Maeve is constantly caught between her duties as a mother and as a business owner. How do you manage the obligations pulling at you?

3

One of Luke's best qualities is his integrity. After his parents' deaths, he not only takes charge of his sister, but repays the debts his father accrued. How far would you go to restore your name and reputation?

4

Luke's injury cost him his career. What major change have you had to handle in your life? How did you handle it?

5

Grace finds herself at a crossroad in her life that leaves her feeling purposeless and invisible. How do you add a feeling of purpose to your life?

6

How does Snick help Grace discover the next phase of her life? How has someone or something helped you get over a hurdle in your life?

Strawberry Tea Party

Summer's Sweet Spot takes place during a Strawberry Festival. Turn your next book club meeting into a Strawberry Tea Party. Decorate your table with a red-and-white checked tablecloth, red napkins and white plates. Serve your drinks in mason jars or fancy tea cups. Add any of these strawberry-theme recipes to sweeten your get-together.
